Undocumented Immigrants in an Era of Arbitrary Law: the Flight and Plight of Peoples Deemed 'Illegal'

Time: 12:00pm

Location: Gittis 213, Kushner Classroom

Professor Robert Barsky from Vanderbilt University undertook a large scale research project about undocumented migrants in the US, with complementary research extending worldwide, the results of which were published in a book called *Undocumented Immigrants in an Era of Arbitrary Law: the Flight and Plight of Peoples Deemed 'Illegal'*. The book has been reviewed by the ABA and Border Criminologies, Oxford Law School, and was short-listed for the Hart Sociolegal Prize for the best book on socio-legal research for 2016. Please join us in welcoming Professor Barsky to Penn Law as we discuss the plight of undocumented immigrants.
