David Lat on Trump's Impact on the Judiciary

Time: 12:00pm - 1:15pm

Location: Gittis 214

A President's impact extends far beyond the duration of his term. With powers such as judicial nominations, the President can affect an entire generation to come. We have already seen this take place with the recent nomination and confirmation of Supreme Court Justice Neil Gorsuch. Please join the Federalist Society in welcoming David Lat and Penn Law Professor Kermit Roosevelt to discuss the President's impact on the Judiciary on Wednesday, September 13 from 12:00PM – 1:15PM in Gittis 214.

David Lat is the founder and managing editor of Above the Law, the renowned legal profession website. Before founding Above the Law, David attended Harvard College and Yale Law School. David worked as clerked on the Ninth Circuit Court of Appeals, as an associate at Wachtell Lipton Rosen & Katz, and as an Assistant U.S. Attorney for the appeals division in the District of New Jersey.

We hope to see you there.

Chick-Fil-A will be served.
