## Welcome to the 12<sup>th</sup> Annual Wharton Restructuring and Distressed Investing Conference

We are pleased to invite you to the 12<sup>th</sup> Annual Wharton Restructuring and Distressed Investing Conference, which will be held on Friday, February 26, 2016 at the Plaza Hotel in New York City.

The Wharton School hosts the largest restructuring and distressed investing-focused school-run conference in the United States. We are proud to serve as an important forum for industry practitioners, academics, and students to gather and exchange ideas.

This year's theme, "Finding Opportunity in a Volatile World", offers a unique opportunity to hear from a distinguished gathering of keynote speakers and panelists in their discussion of the current economic climate and issues of debt, investing, and restructuring across the globe.
