

December 7, 2017

Penn Center for Neuroscience & Society: The Development of Neuro-Cognitive Systems Underpinning Callous-Unemotional Traits and Antisocial Behavior

Time: 4:30pm - 7:00pm

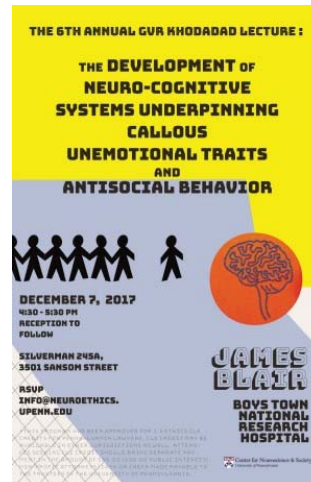

Location: Silverman 245A

The 6th Annual GVR Khodadad Lecture – The Development of Neuro-Cognitive Systems Underpinning Callous-Unemotional Traits and Antisocial Behavior

James Blair, Neurobehavioral Research Program, Boys Town National Research Hospital

The 2017-2018 CNS Talk Series focuses on brain development and society. Lectures run 4:30-5:30 followed by discussion and a reception. Our lectures are free to attend, but due to limited seating, please RSVP to: info@neuroethics.upenn.edu.

This program has been approved for 1.5 ethics CLE credits for Pennsylvania lawyers. CLE credit may be available in other jurisdictions as well. Attendees seeking CLE credit should bring separate payment in the amount of \$60.00 (\$30.00 public interest/non-profit attorneys) cash or check made payable to **The Trustees of the University of Pennsylvania.*
