### Balancing The Scales Movie Screening, Panel Discussion and Networking Reception

Time: 4:30pm - 8:00pm

Location: Golkin 100, Michael A. Fitts Auditorium

Penn Law's Center on Professionalism is proud to present a screening of the new documentary **BALANCING THE SCALES**, a film that chronicles the challenges women have historically faced in the legal profession and profiles some of the women who have succeeded in spite of those hurdles and have worked toward change. **The screening will take place on Tuesday, January 23rd at 4:30 p.m. in Fitts Auditorium.**

Immediately following the screening, the film's director, Sharon Rowen, will moderate a panel discussion of esteemed Penn Law alumnae about the film and about how all lawyers can work toward a profession that values and relies upon the contributions and work of all of its members.

The evening will conclude with a networking reception, which will provide students with the opportunity to connect with experienced attorneys and to learn how law students can begin working toward change even at the beginning of their careers.

*This program has been approved for 2.0 ethics credits for Pennsylvania lawyers. CLE credit may be available in other jurisdictions as well.
