Impeachment

Time: 12:00pm

Location: Golkin 100, Michael A. Fitts Auditorium

What does the Constitution say about impeachment, and what did the Founders think about this practice? What are the standards for determining whether a President should be impeached? Were past presidential impeachments justified? Has President Trump committed an impeachable offense? If so, should he be impeached?

Join American Constitution Society for a thought-provoking discussion with Professors Burbank, Amar, Ewald, and McKinley. Lunch will be served.
