PI WEEK STUDENT GROUP EVENT: Key Environmental Challenges Facing Pennsylvania in 2018 and Beyond

Time: 12:00pm - 1:15pm

Location: Silverman 240B

Student Group Sponsor: Environmental Law Project

This panel will feature several groups that focus on environmental law and activism in Pennsylvania and their views on the key challenges they will be facing in the next several years. In addition, foreseen challenges outside of the current regulatory framework that perhaps may present themselves will be discussed.

Panelists:

- Alex Bomstein, Clean Air Council
- Alice Baker, PennFuture
- Chad Nicholson, Community Environmental Legal Defense Fund
- Karen Hoffmann, Community Environmental Legal Defense Fund

Lunch will be available to those who RSVP'd before **September 28, 2018**.

RSVPs for this event are now closed. However, the event is still open for you to attend.
