Risks and Regulatory Challenges of Unconventional Oil and Gas Development

Time: 4:30pm - 6:00pm

RESCHEDULED DUE TO WEATHER FROM JAN. 27 TO TUESDAY FEBRUARY 3
A Penn Program on Regulation Seminar

Speakers:

[Bernard Goldstein](#)

Emeritus Professor and Dean

University of Pittsburgh Graduate School of Public Health

[Mitchell Small](#)

H. John Heinz Professor of Civil and Environmental Engineering

Carnegie Mellon University

[Hannah Wiseman](#)

Attorney's Title Professor

Florida State University College of Law

Moderator:

[Adam Finkel](#)

Senior Fellow and Executive Director, Penn Program on Regulation

University of Pennsylvania Law School

This seminar will feature presentations by, and discussion among, three leading scholars of the regulatory governance of unconventional oil and gas development. Panel members will share their insights on how regulators can balance the various conflicting policy and economic interests that surround hydraulic fracturing and other unconventional techniques of energy extraction.

This seminar is co-sponsored by the Penn Program on Regulation, the Wharton Risk Management and Decision Processes Center, and the Kleinman Center for Energy Policy at the University of Pennsylvania.
