How is a Hate Crime Enforced and When are Violations Enforced?

Time: 12:00pm

Location: Gittis 1, Berylson Family Classroom

Please join Brandeis, BLSA, JLSA, MLSA, LALSA and LAMBDA on Wednesday, February 8th in Gittis 1 at noon for this very timely discussion. Our groups will host Penn Law alum and current Philadelphia Regional Director of the Anti-Defamation League Nancy Baron-Baer. Ms. Baron Baer will lead a session covering the differences in (or lack of) hate crime statutes in states across the country, what role the DOJ will serve in promoting the enforcement of hate crime statutes under the new administration and what students can do to affect action on these issues themselves.
